Company

At Enfisa Biologics, we are constantly striving for creative treatment options to progress clinical, surgical, and therapeutic patient care by expanding industry knowledge and capability. We focus on becoming an innovative partner of choice for quality and customer-focused biologics solutions.

We accomplish this through sustaining partnership only with the most reputable tissue bank where all tissues are rigorously screened for standard panel of infectious viruses. All Enfisa Biologics donors tissues are sourced from FDA registered and AATB accredited tissue banks in the United States.

Vision

Enfisa Biologics vision is to achieve excellence by responsibly developing, processing and distributing life-saving and life-enhancing allograft for our communities through our network of surgeons.

Mission

Innovate, develop, and supply biologics products is our most valuable interest for improving the life quality patients deserve.

Donor Selection

Enfisa Biologics only works with accredited members of the American Association of Tissue Banks (AATB).

- Our Tissue Banks accepts donors from federally designated Organ Procurement Organizations (OPOs) or qualified tissue recovery partners.
- All Donors are harvested within USA.
- Average donor age is 47.
- All tissue and blood samples are tested for infectious diseases by a CLIA Certified Lab, including testing for AIDS with Nucleic Acid Testing (NAT by TMA)
- All allograft tissue has a Sterility Assurance Level (SAL) of 10⁻⁶

License and Accreditation

Our R&D team focuses on development of new allografts and tissue based medical products to provide effective treatment solutions for patients. Tissue Establishment ISO 9001 Certification Registration Medical Device Manufacturer Registration CE Certification ISO 13485 Certification EXIM Bank Qualification Enfisa Biologics global experience as well as partnerships with the most reputable tissue banks in the USA ensured constant development of new allografts and tissue based medical products to provide effective treatment solutions for patients. We provide top quality allografts for spinal, orthopedic, oncology, neuro, trauma, dental and oral-maxillofacial surgeries domestically as well as internationally.

Our R&D team focuses on development of new allografts and tissue based medical products to provide effective treatment solutions for patients.

EB - DBM Putty

(100% Demineralized Bone Matrix - Putty)

Product Code	Description	Type	Size
EB-DBM-P0.5	Pure DBM	Putty	0.5cc
EB-DBM-P1	Pure DBM	Putty	1cc
EB-DBM-P2.5	Pure DBM	Putty	2.5cc
EB-DBM-P5	Pure DBM	Putty	5cc
EB-DBM-P10	Pure DBM	Putty	10cc

EB - DBM Gel

(Demineralized Bone Matrix - Gel)

Product Code	Description	Type	Size
EB-DBM-G0.5	DBM - Gel	Gel	0.5cc
EB-DBM-G1	DBM - Gel	Gel	1cc
EB-DBM-G2.5	DBM - Gel	Gel	2.5cc
EB-DBM-G5	DBM - Gel	Gel	5cc

EB - DBM Crunch

(Demineralized Bone Matrix + Cancellous)

Product Code	Description	Type	Size
EB-DBM-C0.5	DBM + Cancellous	Crunch	0.5cc
EB-DBM-C1	DBM + Cancellous	Crunch	1cc
EB-DBM-C2.5	DBM + Cancellous	Crunch	2.5cc
EB-DBM-C5	DBM + Cancellous	Crunch	5cc
EB-DBM-C10	DBM + Cancellous	Crunch	10cc

EB - DBM Fiber

(Demineralized Bone Matrix + Fiber)

Product Code	Description	Type	Size
EB-DBM-F2	DBM + Fiber	Fiber	2cc
EB-DBM-F5	DBM + Fiber	Fiber	5cc
EB-DBM-F10	DBM + Fiber	Fiber	10cc
EB-DBM-F20	DBM + Fiber	Fiber	20cc

EB - Sports Medicine & ACL

Product Code	Description	Preservation
EB-ATS-D	Achilles Strip	Freeze Dried
EB-AT-D	Achilles Tendon w/o Bone	Freeze Dried
EB-GT-D	Gracilis Tendon	Freeze Dried
EB-HPT-D	Patella Tendon Hemi	Freeze Dried
EB-PL-D	Peroneus Longus	Freeze Dried
EB-QTB-D	PreShape Quadriceps Tendon	Freeze Dried
EB-ATB-D	Pre-Shaped Achilles Tendon	Freeze Dried
EB-PLW-D	Pre-Shaped Patella Tendon	Freeze Dried
EB-ST-D	Semitendinosus Tendon	Freeze Dried
EB-SG-D	Semitendinosus/Gracilis	Freeze Dried
EB-TTA-D	Tibialis Tendon Anterior	Freeze Dried
EB-TTP-D	Tibialis Tendon Posterior	Freeze Dried

Product Code	Description	Preservation
EB-ATS-F	Achilles Strip	Frozen
EB-AT-F	Achilles Tendon w/o Bone	Frozen
EB-GT-F	Gracilis Tendon	Frozen
EB-HPT-F	Patella Tendon Hemi	Frozen
EB-PL-F	Peroneus Longus	Frozen
EB-QTB-F	PreShape Quadriceps Tendon	Frozen
EB-ATB-F	Pre-Shaped Achilles Tendon	Frozen
